

## Deltha Corporation (Deltha)

Deltha Corporation, founded in 1993, provides integrated solutions to government customers and private sector clients in the areas of finance and accounting, management and operations, administrative functions, information technology, and risk management. Deltha (pronounced just like "delta") is a small disadvantaged business incorporated in Louisiana and headquartered in New Orleans. We provide services primarily in the areas of defense, aerospace, energy, and state & local government. Since 1993, Deltha has been serving government at all levels at various locations around the country.

- Established in 1993 in New Orleans, LA
