National Weather Service  
**National Data Buoy Center**

# The NDBC Mission

## ENSURING MARITIME SAFETY

Collecting and disseminating in-situ, real-time, quality-controlled observations in the marine environment to ensure the nation's maritime safety, and to understand and predict the atmosphere, ocean, waves, ice and climate.

## America's Coasts

Almost **40%** of the population, **10%** of the land mass\*

**\$10** trillion in goods and services annually

**\$54.6** million employed

**\$4** trillion in wages annually

\*Excluding Alaska

Sources: U.S. Census Bureau; Total Economy for U.S. Coastal Shoreline Counties (NOAA)

# The Blue Economy

If U.S. coastal counties were a standalone nation, their GDP would rank third globally, trailing only the U.S. as a whole and China, emphasizing the strategic economic importance of the nation's coastal areas.

**90%**

of imports  
enter/exit  
U.S. via ship

**2.3**

million  
jobs  
generated

**\$432**

billion  
contributed to  
the U.S. GDP

**\$730**

billion in sales  
produced by the  
marine economy
